Immunization Clinic

Offers low cost immunizations for infants, children and some adults who are uninsured, whose insurance does NOT cover immunization, or those who are unable to access services.

H1N1 Vaccine

H1N1 vaccine is available at our Immunization Clinic during regular days and hours of operation (listed below).

The vaccine will be available to everyone 6 months and older, including children 9 and under needing their second dose (preferably 28 days after the first dose).

The H1N1 vaccine will be free and offered on a first-come, first-served basis.

Walk-in Clinic Reminders

Verify days and hours of operation below.

Please call first if you have questions or need specific information.

Bring immunization records with you.

Parents or guardians must accompany those under 18 years old.

Billing is available for Medical Assistance (MA) and some insurance.

Call 651.266.1234 for more information about immunizations and to schedule other health care services.
