

DR. STEVEN KAHN PRESENTS:

Fading the Prompt

Thursday, March 25 @ 7 PM

Wilshire Park Elementary Multi-purpose Room

Dr. Kahn is a psychologist in the Twin Cities. His group provides counseling, assessment services and presentations on parenting to school, business, and church groups.

Dr. Kahn will help us understand how and why we need to reduce the help we give our children and, over time, allow them the opportunity to develop independence, competence and autonomy.

Dr. Kahn will also touch on friendship issues and power struggles with insights on how we can help our children move through these challenges as important growth experiences.

**Sponsored by the St. Anthony/New Brighton
Family Services Collaborative**
